Dear Mr. Morisy:

This is a second response regarding your two Freedom of Information Act (FOIA) requests of 24 May 2013, which were received by this office on 24 May 2013. Your requests have been assigned the following Case Numbers and item numbers for ease of reference:

- **70757:** 1.) "A copy of the source for the NSA's set of games entitled 'NSA CryptoChallenge' for both Android and Apple iOS. With copyright noted as belonging to the NSA," and;

2.) "Also request copies of the outside development contracts for writing these software, if any. These pieces of software may have been developed by CACI-CMS Information Systems, Inc."
- **70758:** 3.) "A copy of the source for the NSA's set of software entitled 'NSA Career Links 2' for both Android and Apple iOS. With copyright noted as belonging to the NSA," and;

4.) "Also request copies of the outside development contracts for writing these software, if any. These pieces of software may have been developed by CACI-CMS Information Systems, Inc."

As you were previously informed, we have aggregated your two cases into a single response since both of your FOIA requests are similar in nature. We also advised you that if you did not respond to our request for clarification on exactly what records you were seeking for Items 1 and 3 within 30 days, we would only process Items 2 and 4 of your requests. Since more than 30 days have now passed, we are responding to Items 2 and 4 of your requests.

In our initial response dated 10 June 2013 you were advised that for the purposes of these requests and based on the information you provided in your letters, you are considered an "all other" requester. You must pay for search time in excess of 2 hours and duplication in excess of 100 pages.

We have expended your 2 free hours of search and located records responsive to items 2 and 4 of your requests. Since your requests are not simple requests, they have been placed in the first-in, first-out processing backlog queue. Because there are a significant number of cases ahead of yours in the queue, however, we are unable to respond to your requests within 20 days. We appreciate your patience with our efforts to treat all requesters fairly by responding to each on a "first-in, first-out" basis.

Correspondence related to your requests should include the case numbers assigned to your requests, which are included in the first paragraph of this letter. Your letter should be addressed to National Security Agency, FOIA Office (DJ4), 9800 Savage Road STE 6248, Ft. George G. Meade, MD 20755-6248 or may be sent by facsimile to 443-479-3612. If sent by fax, it should be marked for the attention of the FOIA office. The telephone number of the FOIA office is 301-688-6527.

Sincerely,

A handwritten signature in cursive script, appearing to read "Pamela N. Phillips".
